To Whom It May Concern

Emergency Bunker Surcharge for shipment from Shenzhen to U.S.A.

In order to maintain a high service level to customers, our organization wish to inform the trade that a **Emergency Bunker Surcharge (EBAF) quantum at USD240/300/340 per 20'GP/40'GP/40'HC** (to be applied to reefers also) will be implemented for all shipments from Shenzhen to **U.S.A.** with effect from **January 15th, 2008.**

The rate increase will be applied on top of ongoing market rate and will be applicable for all equipment types. Please note that all ocean freight rate quotations will be subject to all ancillary surcharges applicable at time of shipment.

Yours faithfully,
Pacific International Lines (China) Limited Shenzhen Branch
